

Akhaan pathar ho chukiyan ne,  
Teriyan raahan takde tekde,  
Uss bod di chhavein  
Aaj vi teri udeek karda haan,  
Mera dil nahi mannda,  
Par nikkiye,  
Mainu pata hai,  
Tu nahi auna,

Peed tere jaan di kiddan zaranga main,  
Peed tere jaan di kiddan zaranga main,  
Tere bagair zindagi nu ki karanga main,  
Peed tere jaan di kiddan zaranga main,

Ki karnga pyar di lutti bahaar nu,  
Ki karnga pyar di lutti bahaar nu,  
Sajiya sajiyan mehfilan,  
Gunde singaar nu,

Hathi mari muskaan da,  
Hathi mari muskaan da,  
Maatam karnaga main,

Peed tere jaan di kiddan zaranga main,

Ooo oo..

Sajna jara ku ther ja,  
Sajda ta kar lavaan,  
Sajna jara ku ther ja,  
Sajda ta kar lavaan,

Athru na koyi vekh lave,  
Parda te kar lavaan,  
O jaan vehle alvida,  
O jaan vehle alvida,  
Eho kahaanga main,

Peed tere jaan di kiddan zaranga main,  
Tere bagair zindagi nu,  
Tere bagair zindagi nu,  
Ki karaanga main,

Peed tere jaan di kiddan zaranga main,  
Haaye, kiddan zaranga main,  
Hoye, kiddan zaranga main,

Mainu pata hai,  
Tu nahi auna,  
Nahi auna,  
Nahi auna.
