

Pehle ke jaisa kuch bhi nahi hai
Din raat aankhon mein ik nami hai

Pehle ke jaisa kuch bhi nahi hai
Din raat aankhon mein ik nami hai
Pehle ke jaise mausam nahi hai
Baadal toh hai par barish nahi hai
Iss mod pe aa gaye hum batao
Raahein toh hain, humsafar hi nahi hai!

Aao chalein hum phir se wahaan pe
Jahaan pe kabhi khushbuon se miley the
Shayad wahin pe kahin kuch bacha ho
Jahaan pe kabhi saath hum tum chale the
Jisey kho diya hai
Khatam ho gaya hai
Uss pyar ko zindagi denge phir se

Qismat humein leke aayi kahaan pe
Samay chal raha hai magar hum ruke hain
Mere khwaab sab aakhiri saans leke
Gehraaiyon mein dafan ho chuke hain
Na awaaz koi hai hum tak pahuchti
Badi door khud se hum ja chuke hain
Rishton mein khamoshiyan aa gayi hain
Seene mein bhi dhadkano ki kami hai

Pehle ke jaise mere paas aao
Zaroorat hai humko gale se lagao

Nahin raas aate hain humko andhere
Chalo chheen laayein phir woh savere
Chalo chheen laayein phir woh savere.
