

Mukhtasar baat hai sunle zara
Zindagi bewajah tere bina
Sard raaton ki woh beeti tanhaiyan
Mere aashiyon ko in barishon ne jala diya
Phir teri yaad aaye kyun

Phir teri yaad aaye kyun
Teri yaad aaye kyun
Phir teri yaad aaye kyun
Na jaane kyun aise mujhe

Chhod ke ab woh chal diye
Khamosh lamhon mein kahin
Raste juda jab kar diye
Rishtey bhi to jab na rahe
Phir kyun woh jaake door roye
Ho tere naina, tere naina
Tere naina, tere naina
Roye naina tere naina naahi chaina

Phir teri yaad aaye kyun
Phir teri yaad aaye kyun
Phir teri yaad aaye kyun
Phir teri yaad aaye kyun
Dard karoon kaise bayan
Sadiyon ka hai yeh imtehan
Teri hi chahat ka asar
Shayad wafa mein thi kami
Milke bhi jo na mil saki
Rog judai ka hai sehna
Oh kaise main batoon
Tere bin kya ban gaya
Jaane kyun bana tu mere jeene ki wajah

Phir teri yaad aaye kyun
Phir teri yaad aaye kyun
Phir teri yaad aaye kyun
Phir teri yaad aaye kyun.
