Ki jane kab dal jhuke
Jane kab jaye jane kab jaye murjha

Phool chun le
Phool chun le mere balam
Ki jane kab dal jhuke
Jane kab jaye jane kab jaye murjha

Dekh ke gal kisi gori ke
Kaisi khile gulab ho
Suraj ki chanchal kirno ki niyat hui kharab
Suraj ki chanchal kirno ki niyat hui kharab
Chalte hi
Chalte hi peer kar do
Ki jane kab dal jhuke
Jane kab jaye jane kab jaye murjha

Rat ke tare tanha bane re
Sapno ke karan
Ped se lipti bele sukhe
Kon basere chaman ho
Ped se lipti bele sukhe
Kon basere chaman ho
Jare phool

Jare phool chaman se chun
Chalte hi peer kar do
Ki jane kab dal jhuke
Jane kab jaye jane kab jaye murjha
Phool chun le
Phool chun le mere balam
Ki jane kab dal jhuke
Jane kab jaye jane kab jaye murjha.
