

Phool dekha phoolon ka rang dekha
Log dekhe logon ka sang dekha
Tumako dekha toh yeh jaana jaane jaana

Phool dekha phoolon ka rang dekha
Log dekhe logon ka sang dekha
Phool dekha phoolon ka rang dekha
Log dekhe logon ka sang dekha
Tumako dekha toh yeh jaana jaane jaana
Tumasa koyi nahi, tumasa koyi nahi haan
Tumasa koyi nahi, tumasa koyi nahi

Dil toh dil hai zindagi bhi
Haar baithe jaaneman
Tumame aisi khubiya hai
Tumame hai aisa chalan
Ho iss jamin se aasmaan
Tak bas tumhaari baat hai
Tumase hi guljaar hai
Yeh duniya ke saare chaman
Chaand dekha chaand ka noor dekha
Suraj ko bhi hamane hujur dekha
Tumako dekha toh
Yeh jaana jaane jaana
Tumasa koyi nahi, tumasa koyi nahi haan
Tumasa koyi nahi, tumasa koyi nahi

Woh mukkadhar ka dhani ho
Jo tumhe paaye sanam
Jisako tum apna kaho
Jisape tum kar do karam
Har andhera roshani mein
Dhalake chalake aayega
Tum badha do pyaar se

Jis taraf apane kadam
Jo hamane dekha wohi kaha hai
Mere saath dekho kehati ghata hai
Tumako dekha toh yeh jaana jaane jaana
Tumasa koyi nahi, tumasa koyi nahi haan

Tumasa koyi nahi, tumasa koyi nahi.
