

Jo insan jitna hi pasina bahaye
Wo uthna mathi se sona ughaye

Ye sona hara hara hoga
Bada hi khara kahra hoga
Jo apne haath ki mehnat hai
Wahi to asali dolat hai
Lagan se kaam kiye jao
Ke mehnat se na sharmao
Agar sachi hai taqdeere
Badal jati hai taqdeere

Is dharti ki mati chandan iska tilak lagayenge
Jhum jhum kar gayenge
Phool khile hai gulshan gulshan
Phool khile hai gulshan gulshan
Is dharti ki mati chandan iska tilak lagayenge
Jhum jhum kar gayenge
Phool khile hai gulshan gulshan
O phool khile hai gulshan gulshan
Phool khile hai gulshan gulshan
Phool khile hai gulshan gulshan
O o phool khile hai gulshan gulshan

Panghat panghat gagar chalke
Laharati har chunari dalke
Panghat panghat gagar chalke
Laharati har chunari dalke
Hotho pe khushiyo pe toli
Har mukhade pe chandi dhalke
Dekho mast rasila sawan
Baras raha hai aangan aangan
Phool khile hai gulshan gulshan
Phool khile hai gulshan gulshan
