Pichhi Premalo Lyrics

Chiru chiru chilkave chinnelunna alakave
Chithramaina manasuve vayyaari
Arakora pogaruve andhamaina sagamuve
Allukunna sogasuve naa devi

Atu itu vethikina ontaraina manasuku
Anuvuga dhorikina chinadhana
Chinukulu eragani podi podi bathukuni
Niluvuna thadipina chiruvaana

Nelaku diguthu thaarasapadina
Tharavu neeve pubhoni
Velugulu nimpe vennela needhe
Naakika nuvve maa raani

Picchi premalo nanne munchuthave o vagalaadi
Nachche lekkalonanne minchuthave
Chandamaamalaa machcha kuda ledhe o priyuraala
Enni cheppinaa inkaa thakkuvene

Naa kathalo oka pejinee
Ne thelise neeke dhachane
Thappemunna naadhe neram

Thelisaaka emauno
Ne padalene nee kopam
Kanuke sandheham naa gundelo

Konchem pattukodhe naa praanam
Nuvvu gaani dhooramaithe o nimisham
Pakkanuntene santosham
Cheliyaa cheliyaa cheliyaa

Nithyam needalaaga untaane
Neeku attabomma neeke avthane
Janta theegalaaga chudathaane
Cheliyaa cheliyaa cheliyaa

Picchi premalo nanne munchuthave o vagalaadi

Nachche lekkalo nanne minchuthave
Picchi premalo nanne munchuthave o vagalaadi
