

Pigli aag se sagar bhar le
Kar marna hai aaj hi mar le
Pigli aag se sagar bhar le
Kar marna hai aaj hi mar le

Hosh ka daman jal jane de
Har janjir pigal jane de
Ab na kabhi ye raat dalegi
Ab na kabhi jagega savera
Soch hai kiski
Fikar hai kiski
Is duniya me kon hai tera
Koi nahi jo teri khabar le
Pigli aag se sagar bhar le

Kudrat andhi duniya andhi
Kale pad gaye khwab sunhare
Tod bhi de ummid ka rosta
Chod bhi de jajbaat se ladna
Aaj nahi to kal samjhega
Mushkil hai halat se ladna
Jo halat karaye karle
Pigli aag se sagar bhar le

Band hai neki ka darwaj
Aap uthale apna janaja
Koi nahi jo bojh uthaye
Apni jinda lasho ka
Khatam hi kar de
Aaj fasan in bedard tamasho ka
Jane tamana jaan se gujar le
Pigli aag se sagar bhar le
Kar marna hai aaj hi mar le
