Namaste girl

Are you ready to dance

Twinkle twinkle little star
Single life is super yaar

Always happy always high
Like a diamond in the sky

Pippi pippi dum dum dum
Pippi pippi dum dum dum

Twinkle twinkle little star
Single life is super yaar
Always happy always high
Like a diamond in the sky

Follow this golden ruler
You will be happy soul
Full time party feel
Come on come on take control

Pippi pippi dum dum dum
Don't want to waste your time

Pippi pippi dum dum dum
Pippi pippi dum dum dum
Don't do this crime

BHARAT
lyrics

We have just one life
Pippi pippi dum dum dum
Why you want to walk on the
Edge of a knife

Pippi pippi dum dum dum
So fake only head ache
Never ending serial
Life of a wife

Freedom gone gone
Boredom on on
Kingdom not own
Don't fall in to danger zone

Pippi pippi dum dum dum
Pippi pippi dum dum dum
Don't want to waste your time

Better time pass than the silly relationships
