

O piya re piya re
O piya re o piya re
Jab se ho tum mile
Tum mile phul jaise ho khile
Tere bin main na rahu
Mere bin tu na rahe
O piya re o piya re
Mere bin tu na rahe
O piya re tu na rahe

Mere paas aa and listen to my heart
Tu jaaneman hai tu mere saath
Piya re when i see you in
Come a close did i say
Har din har raat
Meri zindagi me aao naa
I would make sure
That you never tear
Dilwale dulhaniya le jaayenge
I will be so excited
When you are calling
I feel like amitabh of shalay
Agar tum kaho i love you so
Chand le aao tumhare liye
Ek duje ke pyar me jiye jiye
Chand sitare much much more
Tum mere liye sab kuchh ho

O piya re o piya re o piya re
Laage nahi jiya re jiya re
Tere bin jag suna re
Tere bin main na rahu
Mere bin tu na rahe
O piya re o piya re
Mere bin tu na rahe
O piya re o piya re

Tu hi meri sham tu hi meri subah
Tu hi mera pyar tu hi meri dua
O soniye you wanna be with me

Tumne kaha you like yesteday
You tell me that you feeling in
O piya re you wanna come with me
Soniye you wanna be with me

O piya re o piya re o piya re
Aise to na ruth jaa re
Dil se dil ka rishta re
Tere bin main na rahu
Mere bin tu na rahe
