

Naino mein jiski moorat
Dil toh ho gya gosaiyan,
Bujhte diyon ko jalakar
Jeena sikha gya gosaiyan,

Ashkon se moti chura kar
Gehne bna gya gosaiyan,
Apni baaton mein mujhko rijha kar
Dil mein utar gya gosaiyan,
Wapis jaa ke hum pe karo na sitam,

Ho tum bin adhoori hai
Saansein adhoore hum,
Piya, piya, piya, piya....

Jaise woh aaya thaa jeene mein,
Saansein thi madham si mere seene mein,

Jab se woh aaya thaa jeene mein,
Saansein thi madham si mere seene mein,

Saanson mein sur sa lagakar,
Dhun suna gya gosaiyan,

Saanson mein sur sa lagakar,
Dhun suna gya gosaiyan,

Meri rooh ko jism se behkakar,

Khud mein mila gya gosaiyan,

Wapis jaa ke hum pe karo na sitam,

Ho tum bin adhoori hai
Saansein adhoore hum,
Piya, piya, piya, piya....
Piya, saiyan, saiyan, piya....
Oh re piya....
