

# Plastic Song Lyrics

---

This one is for someone really special  
Jo chhati mein hai woh nikalna zaroori hai  
Please

Tujhe bhai ke jaise maana tha  
Aur dil se ki thi baatchheet  
Teri baat thi saari pyar ki  
Sab asal mein thi tactics

Le kar sang mein ghoom raha tha

Saapon wale aasteen  
Aur jo real maine samjha  
Sad woh sab kuchh nikla plastic  
Its crazy kaise change ho rahe  
Aapas mein saare rishte  
Jo sachha banda samjha  
Bani sabse badi mistake

Ab bhari pad gayi investment  
Aur bhari pad rahi kishtein  
Yeh to time time ki baat hai  
Chalo wapas patte peeste

Lit samjh tere fitrat ko  
Par ab clear hai saara game  
Tu acchi fishing karta hai  
Bro acchi daali bail

Par sun le ab tak toone jhinga maara ae  
Now i'm f\*\*king whale  
Ab sagar mujhe keench raha hai  
Go find a f\*\*king snail

Ab karma ke chhaape padenge  
Ab padne wali raid ae  
Khair usko kaise maroge  
Jo pehle se he dead hai

BHARAT  
lyrics

Apna talent aise use kar raha ae  
Sahi mein kaafi sad ae  
Upar wale ka naam mat le tu  
Teri bible custom made ae

Mujhe neendein acchi aati hain  
Aur sota hoon main chain se  
Jab chhat pe baithega akela  
Kehna khuda reham de

Purana dino chhodta nahi  
Par naya kehta hai rehan de  
Yeh khuli chhodi maine  
Bas chipkaya munh mein bandage  
Tu baaton ka bazaar ae  
Poori upset teri soul ae  
Tera total setup scan ae  
Bro tu poora poora jhol ae

Saale auron ke faslein kaat raha ae  
Tu khud ke beej to bow le  
Ghoom kar aayega sab kuch tere paas hi  
Chhote dunia gol ae

Main super se bhi upar  
Kyon ki dino superman ae  
Shuru se Nilesh Himanshu  
Aur sath mein Shadab Rayeen hai  
Upar wale ka hath sar pe mere  
Aur sath Crore'on fan hain  
Par tera kya hoga nakli  
Plastic waise hi ban hai yeah

Upar wale mujhe kaise kaise log mile  
Meethi meethi si woh saare karein baatchheet  
Jaise jaan ne ka mauka mila bola arre  
Yeh to saare saare saare saare plastic

Upar wale mujhe kaise kaise log mile  
Meethi meethi si woh saare karein baatchheet  
Jaise jaan ne ka mauka mila bola arre

Yeh to saare saare saare saare plastic

Tu kaante humko deta raha  
Par humne tere bow ke diye  
Jaan boojh ke chauke diye  
Aur sath khelne ke mauke diye  
Toone humko jaisa bola  
Humne saara okay kiye  
Humne dil ko dhokhe diye  
Aur tumne bhen\*\*od dhokhe diye  
Dhat chor

Kuchh na kuchh main kar hi loonga  
Hoon main raja ben stokes  
Sab kuchh baahar aayega dekhda  
Coke mein jaise mentos  
Hai ab tera enclose  
Use hone wala ae man force  
Sabke peeth mein chhura ghopa  
Nakli saale bhen\*\*od

Ghar ki chaabi di tere ko  
Aur usko bhi tu le bhaaga  
Bas imandaari maangi thi  
Aur woh bhi tu na de saka  
Patthar ke sanam saale  
Apne sanam ko hi hai thaga  
Bas wafadaari maangi thi  
Tu nikla sanam bewafa

Main safe hoon jab tak jal rahi hai

Lau mombatti aur diyon ki  
Paisa waisa le lega kismat lega kya dino ki  
Akela dar-dar ghoon raha hai  
Leke haaye tu dilon ki  
Tu aadmi poora pekke sunle khokhle saale pop

Jo sach mein tere sath hain  
Sabki maari toone line se  
Sab dil se tere sath the

Par tu khel raha tha mind game  
Mujhe gussa nahi taras aata ae  
Sab bimari ke sign hain  
Tujhe madad ki zaroorat hai  
What a waste of life be

Upar wale mujhe kaise kaise log mile  
Meethi meethi si woh saare karein baatcheet  
Jaise jaan ne ka mauka mila bola arre  
Yeh to saare saare saare saare plastic

Upar wale mujhe kaise kaise log mile  
Meethi meethi si woh saare karein baatcheet  
Jaise jaan ne ka mauka mila bola arre  
Yeh to saare saare saare saare plastic  
Dhat chor

Ab dekhna sahi karke hum haarenge  
Ya wrong karke you will win  
Saala plastic.
