

Poda Padichiruken Lyrics

Yeah

Nepotism naayagargal mathiyil

Oru naaya pola naan aanaa

Aaven machaan

Kandippaa oru naal don

Paavappatta middle class-la

Porandha thiramasali naan

So vaaippu kidaikkum munne

Paadhi vaazhkkai gone

Machaan vaayppu kedachchaa thaane

Nammaal thiramaiya kaattave mudiyum

Aanaa thiramaiya kaattum munne

Silarukku vaaippu eppadinga amaiyum?

Idha kelvi kettaa

Poramaiyunu kindal pannudhu ulagam

Inga pinbulam irundhaa

Munpuram selvathu romba romba sulabam

Nee adipattu midhipattu

Udaiyura idaththula thaandaa

Avanunga payanam thodangum

Idha purinjukkittu sirichchittu

Kadandhudu nanbaa illanaa

Undhan vaazhkkai naragam

Oru murai dhaan maranam

Adhu vandhaa varattum podaa

Adhu varaikkum naamum

Namakku pudichadha seivom vaadaa

Ye podaa padichchirukken

En padippu adha nambi

Oda ozhachchirukken
