

Poovullo Daagunna Song Lyrics

Puvvullo daagunna pallentho athishayam
Aa seethakoka chilaka ollentho athishayam
Venuvulo gaali sangeethaale athishayam
Guruvevvaru leni koyila paate athishayam

Athishayame achharuvondhe
Neeve naa athishayam

Aa girulu ee tharulu ye jharulu lenapudu
Mundhunna premegaa athishayam
Padahaaru praayaana paruvamlo andhariki
Putteti premegaa athishayam

Puvvullo daagunna pallentho athishayam
Aa seethakoka chilaka ollentho athishayam
Venuvulo gaali sangeethaale athishayam
Guruvevvaru leni koyila paate athishayam

Athishayame achharuvondhe
Neeve naa athishayam

Ye vaasana leni kommalapai
Suvaasana kaligina poolunnaai
Poola vaasanathishayame

Aa sandhram ichhina meghamlo
Oka chitikedainaa uppundhaa
Vaana neeru athishayame

Vidhyuthe lekundaa
Velaade deepaallaa
Veligeti minugurulathishayame

Thanuvuna praanam ye chotanunnadho
Praanamloni prema ye chotanunnadho
Aalochisthe athishayame

Aa girulu ee tharulu ye jharulu lenapudu
Mundhunna premegaa athishayam
Padahaaru praayaana paruvamlo andhariki
Putteti premegaa athishayam

Puvvullo daagunna pallentho athishayam
Aa seethakoka chilaka ollentho athishayam
Venuvulo gaali sangeethaale athishayam

Guruvevvaru leni koyila paate athishayam

Athishayame achharuvondhe
Neeve naa athishayam

Ala vennelanti oka deevi
Iru kaallanta nadichochhe
Neeve naa athishayamu

Jagamuna athishayaalu edenaa
Oo maatlaade puvvaa nuvu
Enimidhava athishayamu

Ningi laanti nee kalloo
Paalugaare checkillu
Thenelooru adharaalu athishayamu

Maguva chethi vellu athishayame
Makutaallaanti gollu athishayame
Kadhile ompulu athishayame

Aa girulu ee tharulu ye jharulu lenapudu
Mundhunna premegaa athishayam
Padahaaru praayaana paruvamlo andhariki
Putteti premegaa athishayam

Puvvullo daagunna pallentho athishayam
