---

Jaago jaagore yuvathaa neelo kala nijamayyettu  
Pakkaa gurichoosi kottu  
Gogo gogore chiruthaa nee balamentho thelisettu  
Ekku paimettu mettu

Thokkipetaku neelo saruku  
Ekkupettu thagu lakshyam koraku  
Visraminchaku neerasinchaku  
Vijayamandhuvaraku

Hey oopiraaginaa bathike kituku  
Nerpichodu nee alochanaku  
Unnaperu marikaastha  
Perayye goppa daari vetuku
