You think you funny? Is that a stand up ?
I dont need a man for his money you better man up

Bars so heavy bye crust hi core
Main kabhi lagun billy jean kabhi billy joel
Silicone vale log vo raha door 32 bore
Small talk haan me ho gayi bore

Othe kudiya kendi 'parmish can you feature me?'
Dnd pe phone but if i call yeah he free for me
Need for speed to agsy aagyi ab jalaane punjabi industry
I m messy but if you got the balls you can fifa me

Gedi route kaali impala throwing cash
Sune fuck em all 9 mm in the dash
Moge ton caneda raula mera karan aish

Good at math so i left my ex in the past

Figure aa bomb vekh
