

Prayatname Song Lyrics

Vodipovadam ante
Aagipovadam kaadhe
Marintha goppaga porade
Avakasham pondhadame

Adugu adugu veyyanidhe
Antharikshame andhenaa
Paduthu paduthu levanidhe
Pasi paadam parugulu theesena

Munigi munigi thelanidhe
Mahasandhrame longenaa
Karigi karigi velaganidhe
Kovvotthi cheekatini tharimena

Mugimpe emayinaa
Madhyalo vadhaloddhura
Eee sadhana
