

Preethisuve Song Lyrics

Preetisuve preetisuve
Miti meeri ninnanu preetisuve

Jeevisuve jeevisuve
Ninagaagi maatrave jeevisuve
Vishayaa heegiralu
Olavu maagiralu
Idu kanasalla nijavendu nee helu

Preetisuve preetisuve
Miti meeri ninnanu preetisuve
Preetisuve preetisuve

Satata sanihaa
Barutaa barutaa
Ulida jagave maretide
Kanasinolagoo sigada olavu
Edure nagutaa kulitide
Ninnindale hoovaayitu
Ee baalinaa teru

Neenallade ee jeevake
Bekillavu jaaroo
Edege omme kivikottu nee kelu
Preetisuve preetisuve
Miti meeri ninnanu preetisuve

Kausalyaa suprajaa raamaa poorvaa sandhyaa pravartate
Uttishtha varada govinda kartyavyam daiva maanitam
Uttishtha uttishtha govinda uttishtha garudadhvaja
Uttishtha kamalaakaantaa trailokyam mangalam kuru

Iddilla nanagendu
Hrudayadali odaado havyaasa
Ninninda banteega

Dinacarige muddaada vinyaasa
Gadiyaara marevante
Manaseega beretaaga
Usiralli hesarannu
Usirinda bare beg

Are nammannu tadeyoru yaareega
Preetisuve preetisuve
