

Prema Leela Lyrics

Bandhamedho laguthondhi, gali laga nanne
Gundekedho prema bandham vesenanta preme
Itu atu oogemadhi, pranam antha nuvvannadhi
Naala nene lenu ley

Prema leela chese neela nanne laguthondhe
Prema leela chese neela nanne laguthondhe
Pranam nuvve ayye, nene neevai poye
Anuvanuvu nee pilupe

Mellanga mellanga, krishna antunnave
Krishna antunnave krishna antunnave

Sravanapu jallullo, kanulatho saigallo
Manase prema bandham alluthondhe
Okapari navvullo, okapari ashallo
Athisayam undhi manasu ponguthondhe

Thulli aade manase, ori piliche
Adugaduguna naatho saagu priyathama
Thodu unte nuvve, yugamulu dhate
Thodugani ninnu nammi venta vastha

Mataga vecchi unna, patalaga rava
Kougilitho cheripipo dhooramulanni
Prathikshanam ninnu kore, lokamantha neeve ani
Thanuvu kore ee asale

Prema leela chese neela nanne laguthondhe
Pranam nuvve ayye, nene neevai poye
Anuvanuvu nee pilupe
Mellanga mellanga, krishna antunnave.
