

Prema Premisthunna Lyrics

Kannullone unnavule
Kallallo nuvvenule
Neetho ninde na rojule
Nuvvai levu em tohave

Prema premisthunna
Premalone neetho unna
Neetho unnanante
Naatho nene unnattunde

Ee allarantha nee prema valle
O chulathelane
O velluvalle nanu alle nee prema
Ye mantrame savule

Megham varnam laga
O chotane untu vere unna minnalu
