Tu failela cancer main de raha chemo
Ji raha main zindagi jo teri dream wo
Money hai short tera mera limo
Rap godfather al pacino

Poker face no casino
Chaahiye yahaan smoke toh laga doon pyro
Tu desert hai no cairo
Mere se beef toh bhaago amigo

Are sun na amigo
Pehle achhe se theek ho
Abhi tak diyela ghaav nahi bhara hai bhau
Kyun bane tu hero

Drip idhar samandar
Yahaan dabaake bheego
Poora sau taka munafa dhandhe mein
Hisaab nahi dete kisi ko

Jahaan pahuche naseeb ko
Mehnat aur dua se badal diye
Jo dhakal diye chahe kitna bhi ooncho ho
Dhakel diye

Sharmaate nahi mic pe bataane

Gareebi struggle kiye
Rap show bhi nahi tha tab hustle kiye
Phir safal kiye

Primo hum drvn hai shark tu paani mein nemo
Suno gareebo de raha main bhav ja tu bhi ameer ho

Em ke naam se ghar aai bm

Kare jo brands hain request pe dm
Independent artist apna hi niyam
Apna hi satta yahaan apan hi cm

Main drill mein bahut hi ill
Is skill se banaaye bahut se mill
Karna hai beef main bahut hi chill
Karega smoke toh smoking kills

Opps banke aaye dost
Diya collab main khush man se
Mere dushman banre dost
Baaki ke mere dushman se

Jo banne aare khaas
Kya tum mere paas us waqt the
Jab waqt tha na saath
Toh dene ko haath wahaan khud hum the

Wahaan se yahaan tak bhaag
Yahaan se wahaan tak bhaag
Ek hi baat hai saala
Jaali naatakbaaz

Aa nahi paate baahar
Label raanibaugh
Independent hum hain
Asli waale baagh

Ye mehfil hai unki
Per baatein hoti tere bhai ki hain
Tujhe duniya chala rahi
Aur mujhe chala raha almighty hai

Primo hum drvn hai shark tu paani mein nemo
Suno gareebo de raha main bhav ja tu bhi ameer ho

Keetos
Mumbai ka chhokra bolra dekh finnish
Self employed main mind your own business

Karoon main drop record lage guinness
Pehle the popeye haath mein tha spinach

Flow de raha back to back ye lage british
Gaane mein fact pe fact de raha main innit
Tu kare copy paste aur main delete
Kara tu start toh main kara finish

Wagwan
Chai mein daale hum afghani zafran
Game mein aate toh baraf jamaate
Phir hum hi mitaate hain yahaan ka taapmaan

Tu bachkaane kalli hai hum real gully hain
Tabhi toh jali hai bars pe bars
Haan saare yahaan talli hain

Kya tha? Primo hum drvn hai shark tu paani mein nemo
Suno gareebo de raha main bhav ja tu bhi ameer ho
