

Pritam se jake kah de
O chanda tu preet ko nibhaye ja
Har taraf chandani hai
Phaila hai noor tera
Naino mein mere phir bhi
Chhaya hai kyun andhera

Chhayi woh sham gham
Ki hota nahi savera
Ujadi hai dil ki basti tu
Aa kar phir se use basaye ja
Pritam se jake kah de

Sunata nahi hai koyi
Kisase kahun kahani
Bin tere ja rahi hai
Bekar zindagani

Fariyad kar rahi hai

Sahami huyi jawani
Takadir so rahi hai tu
Aa ja kismat meri jagaye ja
Pritam se jake kah de.
