

Priya Mithunam Song Lyrics

Anagaa anagaa modhalu
Meethone meelone kalisunna
Kaalam kadhile varaku
Meethone konasaage kalagannaa

Nee valane nenunna
Naa viluve neevanna
Jagamele naa hrudayaannile

Janakivi nuvve

Priya mithunam
Manalaa jathagoodi varamai
Iruvuridhoka deham oka praanam
Mana kadhanam tharamula
Dhari dhaate swaramai
Paluvuru koniyaade kolamaanam

Ayodhyanu minchinadhi
Anuraagapu saamraajyam
Abhi ramuni punyamega
Avanijaki soubhagyam
Thama ville shobilli
Aanorinini nenele

Prathivrathale pramille gunasundarive
Neepaine prathidhyaasa
Neethone thudhi shwaasa
Jagamele naa hrudhayaannele
Janakivi nuvve

Priya mithunam
Manalaa jathagoodi varamai
Iruvuridhoka deham oka praanam
Mana kadhanam tharamula
Dhari dhaate swaramai
Paluvuru koniyaade kolamaanam.
