Ho addhi raat te adhhi hakk uttey aa jande aa
Ni vekhde rakane khabbe sajje na
Ho chaliyan ch khadde aa naal goriye
Ni kath vekhke pichha-aa nu kade bhajje na

Oh bottlean ni pettiyan magonde goriye
Yaar jadon mehfilan ne launde goriye
Aakhda har ek paise main daunga
Khulla udayida ae yaar ni ginonde goriye

Jinna naal hunde chuggde si bhaan ni
Gaddiyan chon bahar ni kade

Eese gall da ae mittran nu maan ni
Assi kade yaar ni chhadde
Eese gall da ae mittran nu maan ni
Assi kade yaar ni chhadde

Yaar ni chhadde

Ho kachhiyan chattaan di yaari das kithe doldi
Yaariyan layi bahot vari langhe maut kohl di
Oh kachhiyan chattaan di yaari das kithe doldi
Yaariyan layi bahot vari langhe maut kohl di

Vair bade khatte hath khulle naal goriye
Adh jayie jithe ni mandheer nayio boldi
Sada chhad'de nu vekhke na khaan ni
Hath dayie pair ni vaddeh

Alrhadaan di gutt nayio hikk saddi dangdi
Hawa tak mittran nu puchhke aa langdi
Oh alrhadaan di gutt nayio hikk saddi dangdi

Ohdo fer paarh de chhadde
