

Tera main, tera main
Tera main dum dum dumma
Tera main, tera main
Tera main dum dum dumma

Pehle tu neeli akhiyan ladayi gayi
Raaton ki meri needein udayi gayi
Nashe mein tere mujhko dubayi gayi

Aise mujhe ghoore tu kaye ko, kaye ko
Ke jhoothे vaade karke banayi gayi
Na jaane kitnon ko rulayi gayi
Oh thumkon se dil ko churayi gayi
Aaja tujhe leke chalein chai ko, chai ko,

Oh saiyaan saiyaan ve
Oh sa sa saiyaan ve
Na chhod kalaiyan
Mod ke bahiyan jaldi se
Side ho, side ho
Aaya mora saiyaan psycho

Aaya mora saiyaan psycho

Tera main, tera main
Tera main dum dum dumma
Tera main, tera main
Tera main dum dum dumma

Main ladki seedhi saadi si
Bottle pee li hai aadhi si
Main ladki seedhi saadi si
Bottle pee li hai aadhi si

Haan teri yeh jo gravity
Mujhe kheenche teri ore

Oh saiyaan saiyaan re
Main tera sipahiya re
Na pakadun kalaiyan, chhodu na
