

Puchho na yaar kya hua
Unka deedar kya hua
Sapney mere rang laye haan laye
Usne kaha main teri hoon jaana
Puchho na yaar kya hua

Ye sabh hua kaise
Pizza ka le ke order
Main gaya bangley ke andar
Maine ding ding bell bajayee
Phir kya hona tha aye bhai
Mere pyaar ki khushboo se
Woh kholney darwaaza aayee
Lad gayee ye dono aankhein
Thodi sharmayee muskayee
Uske seene mein bhi dhak dhak
Mere seene mein bhi dhak dhak
Uske seene mein bhi dhak dhak
Mere seene mein bhi dhak dhak
Phir kya hua, phir kya hua
Phir kya hua, phir kya hua
Bol na yaar
Puchho na yaar kya hua
Unka deedar kya hua
Sapney mere rang laye haan laye
Usne kaha main teri hoon jaana
Puchho na yaar kya hua

Kya purane record ki tarhan atak raha hai
Yaar tera hamesha ka yehi locha hai
Interest mein laata hai aur atka deta hai
Oye saala tere ko moloomn
Apne ko kitna khushi hota hai aagey ga

Cellular pe call aaya
Usne no ka button dubaya
Telephone ka woh receiver
Rakh diya jhat se ulat kar
Hosh tha behosh bhi tha
Mere dil mein josh bhi tha

Maine bola main hoon aashiq
 Tumko chahoon betaahasha
 Maine uska haat pakad kar
 Keh diya jo bhi kehna tha
 Maine uska haat pakad kar
 Keh diya jo bhi kehna tha
 Phir kya hua, phir kya hua
 Phir kya hua, phir kya hua
 Bataa na yaar
 Puchho na yaar kya hua
 Unka deedar kya hua
 Sapney mere rang laye haan laye
 Usne kaha main teri hoon jaana
 Puchho na yaar kya hua

Yeh to kamaal ho gaya
 Tu to maala maal ho gaya
 Mohabbat ke khazane mein
 Ek minute, ek minute
 Usne kuch kaha ke nahi haan

Usne meri aankhon mein
 Aankhein dal kar kaha
 Ho gayee hoon main tumhari
 Dil tumhe maine de daala
 Mujhko duniya ki nahi parvaa
 Tum ho majnoo main hoon laila
 Kaun ho tum kahan se aaye
 Tumse main ye naa puchhoongi
 Tum miley sabh kuch mila hai
 Tumko jeevan bhar chaahongi
 Phir kaha baaton baaton mein
 Le lo mujhko tum baahon mein
 Phir kaha baaton baaton mein
 Le lo mujhko tum baahon mein
 Abh bas hua, abh bas hua
 Abh bas hua, abh bas hua

Karte hain hum ye dua
Us khuda se
Ho jaaye sach tera sapna yaara
