

Purna Swaraj Lyrics

Sab saara sunke liya hum toh “nervous class the”
Iraade tune dekhe nahi hum “parvat kaat dein”
Lagte bachchon ki fauj par hum sir par naachte
Tu bargad samjhe khud ko teri jad tak kaat dein

Sadkon par hum utre kyunki purpose khaas hai
Hindu catholic miya bhai hum har waqt saath the
Sab dil se aaya aisa nahi ki padhkar chhaap dein
Saath laathi khaate aur saath mein hum “sharbat baant dein”

Chill kar rahe the canteen mein nateeja tere chool ka
Hamari zindagi leke tum kehte saara bhool ja
Sun gyaan dene se pehle sun sabse pehle school ja
Chanda mama story mein toh “sapna dekhe moon ka”

Mere gaanon ne sun bhaiyon ka career bana diya
Impossible ko humne toh dincharya bana diya
Sab gen z'yon ke streams ko sun dariya bana diya
Meri siyaahi ko toh khoon pen ko sariya bana diya

Idhar khada hoon main proof mere maalik ka wajood
Yeh kaksha mera mandir ghusne se pehle wuzu
Saare haathon mein hai haath yahan dalti nahi hai phoot
Achhe din kahan pe? Saara jhooth jhooth jhooth

Saara screw kare crew bina pechkas bro
Yeh jhooth wala fruit ke nahi taste buds bro
Updesh nahi de raha hoon yeh hai peshkash lo
Swaraj ki ho maang toh tum deshbhakt ho

Swaraj
Jo mera hai woh dena hoga aaj
Swaraj
Hogi ab seedhi-seedhi baat

Swaraj
Hamari bas goonjegi aawaz
Swaraj swaraj swaraj

Swaraj

Jo mera hai woh dena hoga aaj

Swaraj

Hogi ab seedhi-seedhi baat

Swaraj

Hamari bas goonjegi aawaz

Swaraj swaraj swaraj

Hum march karein past pe malaal nahi pasand

Seedhi baat hai brahmand se dalaal nahi pasand

Kabhi priest se jami nahi 'cause sawaal nahi pasand

System ko shayar rapper qawwal nahi pasand

Unhein jhatka nahi pasand unhein halaal nahi pasand

Unhein peace nahi pasand humein bawaal nahi pasand

Unhein kranti nahi pasand aur hartaal nahi pasand

Sabhi saath denge sab par istemaal nahi pasand

Tum asla laaye hum toh laaye shaanti ka samaan

Tum dandi lekar aaye hum hain gandhi ke samaan

Hum bhakti mein hain lean par hum bhoole nahi hain bhagat ko

Tum jhonka samjho on the way hum aandhi ke samaan

Yeh aankh band nahi hogi chhote tear gas se

Yeh masle ab suljhenge nahi ab mere chat se

Sab reel mein hain hero par ek number ke hain chor

Yeh baatein ghuma nahi sakte unclear stats se

Tumne bachchon pe aur ladkiyon pe haath utha diya

Hum kata mila rahe the tumne baat utha diya

Hum saraswati chahte the par aayi kaali saath mein

Hum bhole the par tumne bholenath utha diya

Yahan movies saari whack tum bas promo bechte ho

Ganda vfx aur khaali slow-mo bechte ho

Khaali fayda aur profit yeh dono dekhte ho

Real saara sad—khaali fomo bechte ho

Kya tsunami ko aane se koi rok saka hai?

Kya bijli ko kadakne se koi tok saka hai?

Tu mahal apna chhod yahan par aake zara dekh

Janta idhar hai yeh real lok sabha hai

Swaraj

Jo mera hai woh dena hoga aaj

Swaraj

Hogi ab seedhi-seedhi baat

Swaraj

Hamari bas goonjegi aawaz

Swaraj swaraj swaraj

Swaraj

Jo mera hai woh dena hoga aaj

Swaraj

Hogi ab seedhi-seedhi baat

Swaraj

Hamari bas goonjegi aawaz

Swaraj swaraj swaraj
