

Putta Story Song Lyrics

Let me sing a putta story
Pay attention listen to me
Yennana englishuu
Just listen bro

Let me sing a putta story
Pay attention listen to me
If you want take it
Or else beda tension
Leave it baby

Life is very short thamma
Always be happy
Bahu vidha problems will come and go
Mari chill maadu masthi
Together man

Let me sing a putta story
Pay attention listen to me
If you want take it
Or else beda tension
Leave it baby

Life is very short thamma
Always be happy
Design design agi
Problems will come and go
Mari chill maadu masthi
No tension baby

Speedaag hogluu gamanavu mustu
Slowaag hogluu steadyu mustu
Hey ha ha ha ha ha
Anger always misery baby
Friends agi ninthre powerful honey bee

Haters are gonna hate but ignore calmly
Negativity ella thalli bidu hogli
