

It' s love that i need
It' s only love that i need
It' s love that i need
It' s only love that i need

Kabhi phul dena manaane ke lene
Kabhi dur rahana sataane ke liye
Aur kabhi kabhi khaamosh
Baithe baanhon ke sahaare
Suraj bujha na saagar kinaare
Phir raaton ko chaand ugaana
Waise pyaar ke naam pe
Toh yaaro sab huwa hai
Abb yeh pyaar bhi ho
Jaaye bas itni duwa hai
Kabhi raahon mein phirte
Rahnaa bina kahe bas
Bharatlyrics.com
Yun sunte rahnaa
Kaanon mein uski saanson se
Jalte huye pighalte rahnaa
It' s only love i want to hold on
To and for ever make it stay
It' s only love i want to hold on
To and for ever make it stay

It' s only it' s only love
Janmon ke vaade har
Baat pe kasam kabhi jaan
Kahna kabhi kahna sanam
Aur sau sau baar yeh kahnaa
Hame pyaar hai tumhi se
Le aayeinge ham taare jamin pe
Jo kahoge toh jaan bhi denge
Waise pyaar ke naam pe
Toh yaaro sab huwa hai
Abb yeh pyaar bhi ho
Jaaye bas itni duwa hai
In lamhon ko rokne kee
Woh naakaam koshishe karna

Jo gujare hain saath unako
Phir yaade banaake rakhna
It' s only love i want to hold on
To and for ever make it stay
It' s only love i want to hold on
To and for ever make it stay
It' s only love i want to hold on
To and for ever make it stay
It' s only love i want to hold on
To and for ever make it stay
Hold on to hold on to
And for ever make it stay
It' s only love i want to hold on
To and for ever make it stay.
