

Jab hawaien sunati hai
Tere mere pyaar ki dastaan
Sunti hai yeh fiza
Sunti hai yeh zameen
Sunta hai aasmaan

Isiliye phoolon mein
Kaliyon mein khushboo hai
Isiliye parwaton jharno mein jadao hai
Isiliye...nikhrein hai
Raastein wadiyan

Ho jab hawaien sunati hai
Tere mere pyaar ki dastaan

Hoo...sunti hai yeh fiza
Sunti hai yeh zameen
Sunta hai aasmaan

Sapno ka yeh mausam hai
Dil se dil ka sangam hai

Sul ge sul ge hoton par
Halki halki shabnam hai

Chalte chalte kahan aa gaye hum
Tum jo paas aaye sharma gaye hum
Khud ko khoya tumhein pa gaye hum

Ho isiliye hum bhi to karte yun preet hai
Isiliye gunjthe ansune geet hai
Isiliye... to koi
Aarzo hai jawan

Mehki si hai tanhaie
Rut hai jaise alsai
Ho dil mein lete hai armaan
Angdai par angdai

Thodi si to rakho humse duri
Kyon kahani rahe yeh adhuri

lyrics

Sab to kehna nahi hai zaruri

Isiliye milke bhi milne ki pyaas hai
Isiliye pyaar ko kal ki bhi aas hai
Isiliye...toh haseen
Lagti dooriyan

Jab hawaien sunati hai
