

Pyar kya shabd hai, ekk nasha jo har waqt hai
Par pyar me jab thokar lage,
To wo ankhon me na ashu dikhe raat he
Pyar kya shabd hai, ekk nasha jo har waqt hai
Par pyar me jab thokar lage,
To wo ankhon me na ashu dikhe raat he

Dikhata nhi tha kuch tere siwa,
Na hi rahe duniya se koi khata
Bas chahta tha hum do saath rhe
Phir door jane ki thi kya wajah
Ek sapna tha tere sang rehne ka,
Tere sang har kast ko sehne ka,
Na dikhe dhukh kabhi tere chehre pe
Shayad dekha nahi rang tere chehre ka

Aankhon se mere anshu nikle jo abhi mai
Sochu woh saari batein tune jo kahi hai
Roku wo saari yaadein, puchne ko sach
Behti jo mere aansuon ki naadi mei

Kya puchu tujhse ki kya wajah iss dard ki
Kya tujko koi fark nahi pyar hamara bas yahi
Tu dhoondhe pyar har jagah pyar ko samajh shi
Ehsaan kya karz nhi pyar nibhana farz nhi
Haa,
Ab sapno me jeeta
Jb kholu aankhein mann karta he khud ko me mitadu
Par jab tak dil ye bhage, kese tujhko mai bhuladu
Hain sab ye kacche daage, ab khud ko smjha doon

Baatein kar ke ansuni zindgi ko soonaa kiya
Saansein chalein ab yuhi har kisi ko juda kiya
Ghut ke ab mai jeetha hu, shayad

Beethe kal ne aane wale kal ko dhooba diya
Main kya kru, na laddh saku, naa jee sakun
Naa marr saku, naa dard ko khatm kar sakun
Naa gehre jhakhm bhar sakun

Tanhai mere saath hai, bas chal rahi hai saansein

Akela betha khud se bas kartha rehta hu me baatein
Har pal yhi sochta kyu thode tunhe waade
Par tuu na smajhegi ki, kya hotein ha jazbaat ye
Par shayad teri majboori hogi, isi liye ye doori hogi
Isi umeed me jeekar hi meri zindgi puri hogi

Pyar kya shabd hai, ek nasha jo har waqt hai
Par pyar me jab thokar lag,
To wo ankhon me na ashu dikhe raat he
Pyar kya shabd hai, ek nasha jo har waqt hai
Par pyar me jab thokar lag,
To wo ankhon me na ashu dikhe raat he

Tune andhekha kyu kar diya,
Meri ankhon se lahu chu baha
Tu dekh palat kar to zara,

Ab tak teri aas me roo rha
Mai har pal or kareeb aaya,
Tu haar pal mujhse door gayi
Shayad kami thi meri chahat me,
Jo tu mujko ab bhool gayi
Shayad me zada ye soch gaya tha,
Ki tere sang har pal roz naya tha
Kese darr kar pehli baar phone kiya tha,
Or uss dine baad na kbhi sone diya tha

Ab waade bas yaadoon
Meri yaadein bas waadon mai hai
Gehrai samajh jo chipi inn baton me he
Har din ke suraj se jalke kaali in raaton me hai
Har din ki ankhon se ladke khali hui aankhon mai hai

Wo ruthna manana, wo tootna samjhana,
Naa jhoot naa bahana
Atooth tha afsana

Bhulu me kese tujko jab yaadein hi tujse hoo judi
Tere pehle naa kuch tha naa baad me
Meri zindgi khatam ab ho chuki
Naa lage marne se darr mujhe,

Kya kar sakegi ab maut bhi
Chahat he meri bus itni ki,
Tere aas paas ho khushi
Bas ek baar tu muskura dena,
Meri kami mehshus agar ho kabhi
Tera hai nhi koi dosh yha,
Me khud ko hi hu kosh raha
Naa yakin mujhe ki tu galat hai,
Mai khud ko bewafa soch rha

Kyuki,

Pyar kya shabd hai, ekk nasha jo har waqt hai
Par pyar me jab thokar lage,
To wo ankhon me na ashu dikhe raat he
Ha
Pyar kya shabd hai, ekk nasha jo har waqt hai
Par pyar me jab thokar lage,
To wo ankhon me na ashu dikhe raat hai.
