

Pyaar Lona Paagal Song Lyrics

Kanakamaalachhi
Preminchi ittaa vadhilekkake

Come on boys...

Hello my dear boys and girls
Please listen to my sad story
Meri girl friend mujhe chod ke chali gayi
Aur main pagal hogayaa

Nenu pyaar lona paagale

Naakemo breakup paatale

Dillu neeke ichhaane
Fullu naake ichhave

Vaadiki signal ichaave
Nannemo road ki gunjaave
Nene sincere lovver
Pettinaave flower ye
Kanneellu naake shower ye
Odaarchedhi evvare, galeej

Pagilipoyina hrudayam mukkalu
Ee whiskytho athukudhaamani na aasha

Intlo choosthe mahalakshmi type
Instagramlo jyoti lakshmi oopu
Band baaja nuve geesina mapu
Gunde pagili unnaane nee vaipu

Naaku golimar neekemo teenumaar
Naa seat kinda fire
Neeku flight lo shikhaaru

Greeting card neekisthe
Wedding card ye ichhaave

Vaadilo em chooshaave
Nanne enduku munchaave
Bhale bhale chance le
Nee baraathulo dance le

Esthe moodu ouncele

Are aajaamu, oyy

Appude aapaaventraa

Adhi santoshamtho tapaan

Kutthuchetthandira daanamma, kottandreyy

Prathi manishi edho oka matthulo

Tanaki ishtam lenidhe kashtam anedhi

Marchipovadaaniki prayathnithune untaadu

Marupannadhi lekunte maanava jeevitham narakam.
