

Pyaar mohabbat ishq ibaadat  
Aur kare kya ab ke baras  
Tum jo mile ho sab kuch mila hai  
Aur kya chaahe ab ke baras  
Pyaar mohabbat ishq ibaadat  
Aur kare kya ab ke baras  
Tum jo mile ho sab kuch mila hai  
Aur kya chaahe ab ke baras

Maine bhi kya khwaab sunhera dekha  
Har chehre main tera chera dekha  
Patjhad bahar basant ya barsaatein  
Sab mausam karte hai teri baatein  
Tere naam kardi maine sari zindagani  
Mere har fasaane mein hai  
Teri kahani main bhi to  
Ban baithi hun teri deewani  
Aa jile mar le had se guzar  
Le aur kare kya ab ke baras  
Pyaar mohabbat ishq ibaadat  
Aur kare kya ab ke baras

Prem ka rang hai aisa jo na chute  
Dor wafa ki jeevan bhar na tute  
Betaabi tanhaayi pyaasi raatein  
Jaaneman sab hai teri saugaate  
Bekaraiyun ki halat  
Kaise main bataaun  
Ungliyon pe gin gin ke  
Din main guzarun  
Chaahat yehi tujhko dulhan banaau  
Oh hum joli rasm ki doli le  
Tu aaja ab ke baras
