

Sikayat hai na kuch tumse gila hai
Bichadna to mukadar meub likha hai
Batau kya jara si zid ki khatir
Main uss se aur vo mujh se juda hai

Pyar aur mohabbat ka
Itna hi fasana hai
Pyar aur mohabbat ka
Itna hi fasana hai
Pyar aur mohabbat ka
Pyar aur mohabbat ka
Itna hi fasana hai
Ek taraf hai tanhayi tanhayi
Ek taraf hai tanhayi
Bharatlyrics.com
Ek taraf jamana hai
Pyar aur mohabbat ka
Itna hi fasana hai

Umar bar mujhe yu hi
Ghum ka bojh uthana hai
Umar bar mujhe yu hi
Ghum ka bojh uthana hai
Umar bar mujhe yu hi
Umar bar mujhe yu hi
Ghum ka bojh uthana hai
Dil pe jakham khana hai khana hai
Dil pe jakham khana hai
Aur muskurana hai
Pyar aur mohabbat ka
Itna hi fasana hai

Apne hotho ki ek hasi rakh do
Mere kamre me roshni rakh do
Mujhko majburiya se gera hai
Tum mera naam matlabi rakh do

Dekh ker in aankho ko
Mast ho gaye hum bhi
Dekh ker in aankho ko

BHARAT
lyrics

Mast ho gaye hum bhi
 Dekh ker in aankho ko
 Dekh ker in aankho ko
 Mast ho gaye hum bhi
 Ye tumhari aanke hai, aankhe hai
 Ye tumhari aanke hai
 Ya sharab khana hai
 Pyar aur mohabbat ka
 Itna hi fasana hai

Wo hai dil mein dhadkan hoon
 Wo ghata sawan main hoon
 Wo hai dil mein dhadkan hoon
 Vo ghata sawan main hoon
 Wo hai dil mein dhadkan hoon
 Wo hai dil mein dhadkan hoon
 Wo ghata sawan main hoon
 Mai hu uske dil ki sayari, sayari
 Mai hu uske dil ki sayari
 Wo mera afsana hai
 Pyar aur mohabbat ka
 Itna hi fasana hai

BHARAT
 lyrics

Mohabbat jab sakune jindagi
 Barbaad karti hai to
 Lab khamosh rahte hai
 Najar fariyad karti hai
 Jigar rahe wafa mein naksh
 Aise churahe hai
 Ki duniya dekhti hai aur
 Humko yaad karti hai
 Haye iss mohabbat ka
 Raaj koi kya jaane
 Haye iss mohabbat ka
 Raaj koi kya jaane
 Haye iss mohabbat ka
 Haye iss mohabbat ka
 Raaj koi kya jaane
 Jisne ghum uthaye hai, uthaye hai
 Jisne ghum uthaye hai

Usne raaj jana hai

Pyar aur mohabbat ka
Itna hi fasana hai
Pyar aur mohabbat ka
Pyar aur mohabbat ka
Itna hi fasana hai
Ek taraf hai tanhayi tanhayi
Ek taraf hai tanhayi
Ek taraf jamana hai
Pyar aur mohabbat ka
Itna hi fasana hai.
