

Maana chaand se bhi hasee
Khawab se bhi khubsoorat woh chehara
Kabhi aagosh mein aayega
Dil ko dhadkayega
Khusboo o se lipata
Reshami jhulfo ka woh sagar
Saanso ko behkayega behkayega
Main jaanta hoon main jaanta hoon
Main jaanta hoon

Pyar bhi ho jayega phir uske baad kyaa
Pyar bhi ho jayega phir uske baad kyaa
Ikraar bhi ho jaayega phir uske baad kyaa
Chahato ka hasrato ka aayega maja
Phir uske baad kyaa, phir uske baad kyaa
Phir uske baad kyaa, phir uske baad kyaa

Saagar ki sadak maujo ki sahej
Tanha raate hogi saugate hogi
Ek dusre ki nazaro mein raso irade
Ek dusare ko sabhale baate hogi
Mulakaate hogi, main maanta hoon
Main maanta hoon main maanta hoon

Woh pal bhi kabhi aayega phir uske baad kyaa
Woh pal bhi kabhi aayega phir uske baad kyaa
Woh kal bhi kabhi aayega phir uske baad kyaa
Dhakano pe aashiqi ka chhayega nasha
Phir uske baad kyaa, phir uske baad kyaa
Phir uske baad kyaa, phir uske baad kyaa

Subah hogi shyam hogi
Zindagi mohabbat ka paigaam hogi
Chahenge sharayenge
Ghazale nazhame nagahmein likhenge

Gaayenge sunayenge main sochata hoon
Main sochata hoon, main sochata hoon

Sohrat bhi paas hogi phir uske baad kyaa
Sohrat bhi paas hogi phir uske baad kyaa

Daulat bhi paas hogi phir uske baad kyaa
Shayari ka mausaki ka hoga silsila
Phir uske baad kyaa, phir uske baad kyaa
Phir uske baad kyaa, phir uske baad kyaa

Pyar bhi ho jayega phir uske baad kyaa
Ikraar bhi ho jaayega phir uske baad kyaa
Chahato ka hasrato ka aayega maja
Phir uske baad kyaa, phir uske baad kyaa
Phir uske baad kyaa, phir uske baad kyaa.
