

Pyar huwa hai jab se mujhko nahee chain aata
Chhup ke najar se bhi too dil se nahee jata

Are pyar huwa hai jab se mujhko nahee chain aata
Chhup ke najar se bhi too dil se nahee jata

Lipati hai too meri hi baho se
Phir hai sajna ojhal kyo meri nigaho se
Lipati hai too meri hi baho se
Phir hai sajna ojhal kyo meri nigaho se

Mai hu tere dil mein hay phir bhi meri jan
Tune hi mujhko nahee dekha, mai karu kya

Pyar huwa hai jab se mujhko nahee chain aata
Chhup ke najar se bhi too dil se nahee jata

Are pyar huwa hai jab se mujhko nahee chain aata
Chhup ke najar se bhi too dil se nahee jata

Rakhna dilko le kar in hatho mein
Dil hai pagal aana naa too iss ki bato mein

Rakhna dilko le kar in hatho mein
Are dil hai pagal aana naa too iss ki bato mein

Lekin iss dil pe, arre kabu kis ko
Yeh toh hai tera diwana, mai karu kya

Pyar huwa hai jab se mujhko nahee chain aata

Chhup ke najar se bhi too dil se nahee jata

Are pyar huwa hai jab se mujhko nahee chain aata
Chhup ke najar se bhi too dil se nahee jata

Jhuta tere gesu bikharane mein
Milata hai kya ai jalim mujhe satane mein

Jhuta tere gesu bikharane mein
Milata hai kya ai jalim mujhe satane mein

Tujhako ulajha ke mujhko meri jan
Achchhi lagti hai teri surat, mai karu kya

Are pyar huwa hai jab se mujhko nahee chain aata
Chhup ke najar se bhi too dil se nahee jata.
