

Pyaar karna nahee aaya hame
Pyaar karana nahee aaya
Kar baithe yeh kya kar baithe
Hame pyaar karana nahee aaya
Kar baithe yeh kya kar baithe
Kud ko mita liya hamane
Ghar ko jala diya hamne ghar baithe
Yeh kya kar baithe
Pyaar karana nahee aaya
Hame pyaar karana nahee aaya
Kar baithe yeh kya kar baithe

Milee ik dilruba dil meraa le gayee
Umrr bhar ke liye darde dil de gayee
Dekha jis roj se usike ho gaye
Dhundhate dhundhate ham toh khud kho gaye
Aankhe toh yaad hain do jahan bhul gaye
Aaye the isaliye hai kaha bhul gaye
Yeh kis liye hai kahaan bhul gaye
Jisne banaaya deevaana
Usane hee hamako naa jaana, naa jaana
Ham kis par mar baithe
Pyaar karana nahee aaya
Hame pyaar karana nahee aaya
Kar baithe yeh kya kar baithe

Jo bhee ho shart teree vahee manjur hame
Apani najaro se magar naa karana dur hame
Meraa armaan hai too too hee jine kee ada
Maaf sau kun tujhe maaf har ek khata
Kyon kee too hai mere darde dil kee dava
Meree hee too bane maangee hai yeh dua
Kuchh bhee ho paake rahenge
Tujhe apna bana kar rahenge rahenge
Irada kar baithe
