

Pyar karne lage hai
Tumpe marne lage hai
Pyar karne lage hai
Tumpe marne lage hai
Raat din hum tadap kar
Aahein bharne lage hai
Ye dil hi na maane kya karein
Ye dil hi na maane kya
Karein kya karein kya karein
Pyar karne lage hai
Tumpe marne lage hai
Raat din hum tadap kar
Aahein bharne lage hai
Ye dil hi na maane kya
Karein kya karein kya karein

Ek jhalak na dekhe jab tumhaari
Jaan si nikalti hai hamaari
Ek jhalak na dekhe jab tumhaari
Jaan si nikalti hai hamaari
Bachke pyaar mein
Jhor kuchh na chale dil par
Is liye shamma par
Muskurate hai aksar
Jhal jaate hai parwaane
Kya karein kya karein
Pyar karne lage hai
Tumpe marne lage hai
Raat din hum tadap
Kar aahein bharne lage hai
Ye dil hi na maane kya
Karein kya karein kya karein

Mat churao humse ye nigaahen
Chhod ke na jaao meri baahen
Mat churao humse ye nigaahen
Chhod ke na jaao meri baahen
Bekhudi bebasi beqarari badhi itani

Hosh kya kho gaye

Ye khumaari badhi itani
Ho baithe hum deewane
Kya karein kya karein
Pyar karne lage hai
Tumpe marne lage hai
Raat din hum tadap
Kar aahein bharne lage hai
Ye dil hi na maane kya
Karein kya karein kya karein.
