

Pyar ki duniya lutegi hame malum na tha
Dil ki dil me hi rahegi hame malum na tha
Ham to samjhe the andhera na kabhi chayega
Shama jalte hi bujhegi hame malum na tha
Pyar ki duniya lutegi hame malum na tha

Kya qayamat hai ke ki dube kinare hokar
Unki najro se gire jan se pyare hokar
Kya khabar thi wo jaha denge hamare hokar
Bebasi hampe hasegi hame malum na tha
Pyar ki duniya lutegi hame malum na tha

Unko paya tha ulfat me mar mar ke
Kar sake na pyar ki bate magar ji bhar ke
Fir gaye wo yu hamse ikarar mohabbat karke
Ye saja hamko milegi hame malum na tha
