

Pyar ki had se aage nikal aaye hum
Aa mohabbat ko koi naya naam de
Aa mohabbat ko koi naya naam de
Pyar ki had se aage nikal aaye hum
Aa ibadat ko koi naya naam de
Aa mohabbat ko koi naya naam de
Aa

Ye nigahе uthi woh fasane bane
Ankh ke bol kab kis ne sune
Dil se dil mil gaye
Ab zamane se kya
Aa izazat ko koi naya naam de
Aa mohabbat ko koi naya naam de
Aa

Jab se tune chhua
Ek nasha sa chha gaya
Jab se tune chhua
Ek nasha sa chha gaya
Dard mein zindagi ka maja aa gaya
Dhadkano ko nahin dhadkano se gila
Aa sikayat ko koi naya naam de
Aa mohabbat ko koi naya naam de
Aa

Tere daman ki khusboo se mahki rahu
Bin piye hi sada ladkhadaya karu
Kabhi main tere dil ko sataya karu
Kabhi main tere dil ko jalaya karu
Dekh kar bhi tuje andekha kare
Aa sararat ko koi naya naam de
Aa mohabbat ko koi naya naam de
Pyar ki had se aage nikal aaye hum
Aa mohabbat ko koi naya naam de
Aa ibadat ko koi naya naam de.
