

Haay e zaalim duniya
Ab raah take akhiya
Ghumsum ghumsum ye galiya
Haay e zaalim duniya

Us paar hai mori naiyya
Us paar hai mori naiyya
Aur beech nigodi nadiya
Haay e zaalim duniya

Ruk jaa bole
Karne na de baya humko
Woh pyar ki meethi baiya
Haay e zaalim duniya

Aayi hai milan ki ghadiya
Dil mein machi khal baliya
Jee bharke peeyenge
Naino se tujhe rasiya
More mann basiya laavo
I love you rasna

Haay e zaalim duniya

Bachpan se jise love kiya ho
Aakhir usi ka naam jubaan pe ayega
I love you rasna
