

Masti mein doobe doobe
Chahat ke mausam ko
Tere bheege bheege in
Hothon ki shabnam
Madhoshi mein hosh
Gawa ke kehta dil deewana
Qatra qatra jeeyenge qatra qatra
Qatra qatra peeyenge qatra qatra

Sirf tumko dekhti hain
Ab hamari aankhein
Bas tumhari naam leti
Aati jaati saansein
Tumne jitna chaha hai
Koi aur nahi chahega
Tumse alag ho ke dil
Chain kaha paayega
Ek lamha bhi durr nazar se
Mushkil hain reh paana
Qatra qatra jeeyenge qatra qatra
Qatra qatra peeyenge qatra qatra

Machali si hain tamanana
Hain sama aawara
Aarzu mein jal raha
Hain ishq ka angara
Raqs kare meri har
Dhadkan sun ke teri baatein
Na jaane kab din gujre
Kab kat jaaye meri raatein
Pal pal jo hamein chhed raha hain

Dard hain kutch anjaana
Qatra qatra jeeyenge qatra qatra
Qatra qatra peeyenge qatra qatra
Qatra qatra jeeyenge qatra qatra
Qatra qatra peeyenge qatra qatra.
