Ae vatan tere pairon me
Teri hi aagosh mein
Hamane dil kuraba kar diya

Vaaste tere jaan bhi luta dege
Ham ae vatan
Ye janam tere naam kar diya

Inqulab ka naara sareaam kar diya
Inqulab ka naara sareaam kar diya
Qatra qatra humane vatan ke naam kar diya
Qatra qatra humane vatan ke naam kar diya

Dushmano se ab jang ka ailaan kar diya
Dushmano se ab jang ka ailaan kar diya
Qatra qatra humane vatan ke naam kar diya
Qatra qatra humane vatan ke naam kar diya

Khoon jo behta hai to behne de
Khoon jo bole to use kehne de
Saja dhabbe khoon ke jisam par
Khoon ko tu yoon khoon rehne de

Faulaadi seene me daage
Zulm ke nishaan
Par har ek saans ab bhi hai

Vatan pe qurbaan
Vatan pe qurbaan
