

Yo raxstar!
Ho..zack knight on the
Let's go!

I need to whisper in your ear
Can you lean forward
If i call you by your name does it mean more
I'll give you something you can scream for
It's the kinda chat that king will need a queen for

Follow means go..
Girl takes the boxes
Build for a posh she got a body of goddess
Honest, honest
I'll tell you how she's honest
She'll brake your heart but
She'll never brake a promise honest
Soap sober but you got me drunk
Of your love is the drug that you know i want

Saanu sochan vich paa gayin ae
Dil nu chhed tu kede passe ja ri ae
Gall sun ja..
You know i ain't the type to chase you
Insecure girls always find a way to hate you
Girl you got it, girl you know you got it
Everybody's talking about you like a trendin' topic

Dil di sunawan ik wari gall sun ja
Ankhan nai milanti nakhre dikhandi
Gall sun ja..

Nai labhna mere warga oo..
Nai labhna, nai labhna
Nai labhna mere warga oo..
Nai labhna, nai labhna wo oo..

Aaja vekh le, aaja vekh le
Aaja vekh le, yaari saadi vekh le
Aaja vekh le, aaja vekh le
Aaja vekh le, yaari saadi vekh le

Life is kinda hectic
It's hard to find someone who
Gets it right from my perspective
I ain't perfect, a man will make mistakes
A man will be man enough
To say man i need to change
I'm a changed man take me out again man
I've been winnin' since i put you in my game plan
When you shinin' they wanna
Through you some shades man
Put you soul practically can't
Even see you with ray-ban's ray-ban's

Teri wargi hor na koi honi
Vekhiyan vatherian tu soniya ton sohni
Have been girls fallin' for me
But none of them could kept me
Laffja di laud tu ankhan naal keh gyi
So let me whisper in your ear
Can you lean forward
If i call you by your name does it mean more
I'll give you something you can scream for
It's the kinda chat that king will need a queen for

Inna taniu chahwan
Dil di sunawan ik wari gall sun ja
Ankhan ni milaunti nakhre dikhandi
Gall sun ja..

Nai labhna mere warga oo..
Nai labhna, nai labhna
Nai labhna mere warga oo..
Nai labhna, nai labhna wo oo..

Aaja vekh le, aaja vekh le
Aaja vekh le, yaari saadi vekh le
Aaja vekh le, aaja vekh le
Aaja vekh le, yaari saadi vekh le

Mere paas tu aaja tera ranjha ban jaawan
Kedi gallon sangdi ae heeriye

Mere paas tu aaja tera ranjha ban jaawan
Kedi gallon sangdi ae heeriye

Aaja, aaja, aaja vekh le tu yaari saadi
Aaja, aaja vekh le tu yaari saadi
Aaja, aaja vekh le tu yaari saadi
Vekh le tu yaari saadi, vekh le tu..

Nai labna mere warga oo..
Nai labna, nai labhna
Nai labna mere warga oo..
Nai labna, nai labhna wo oo..

Aaja vekh le vekh le
Aaja vekh le vekh le
Aaja vekh le yaari saadi vekh le
