

Yaa
Shah raa to rimix yaa
3:30 am ae ae

Dekhe they jo sapne aaj unke paas hoon
Aankhon mein chamak hai
Pehle they aansu baaki sab wahin hai
Sala kuch nahi badla
Haan pehle main aam tha
Aaj thosa khaash hoon

Raaz hue kaise jaise sab janna chahe
Suni apne baare mein maine kitani afwaye
Baatein karne walo ka kaam baatein karna
Karte hai kuch baaki dete bas salaah

Pen mere hath mein zindagi hai gaali
Tabhi likhoon kaali raat mein
Top pe khada akela koi nahi saath mein
Jalne wale jalte lekin rehte lekin aukaat mein
Yeah meri lagan meri mehnat aur uparwale ka karam
Paise kamaye maine sachhai batake
Jisse dikkat haath pakde woh mera
Unhe bakwaas karne do jo unhe bakvas karte hai

Khali bartan hi zyada awaaz karte hai
Main note ginta hoon woh haath malte hai
Kheloge jo aag se to hath jalte hai
Kamyabi aur chamak sath sath chalte hai
Tabhi log yahan lekar hathiyaar chalte hai
Par main un chutiyon mein se nahi
Kyun ki jinka dimaag hi nahi chalta
Unke haath chalte hai
Mere saath chalte hai
Mujhse pyar karte hai
Mere fan meri jaan meri kom meri shaan
Jaake puchho kisi se bhi galiyon mein hai sambhali
Kisi ne hindustani hai bohot ki kamaan
Badshah badshah hai bas ek hi naam
Badshah badshah ka bas ek hi kaam

Likhna aur likhte hi jaana

Main chalu aage aage
Mere pichhe pichhe hai zamana
Sab ki nazare hai mujhpe
Ab kya karega ye
Ek flopgaana aate hi marega ye
Bla bla bak bak sunke main gaya thak
Mere paas unhe dene ke liye
Nahi hai fuck fakar hai mujhe bas
Apni kala pe main hoon asli baaki saare nakli
Yahan pe maine masali hai nasaloki nasle
Nakli reparo ki rap jinki nahi basne yahan pe bas

Teri fatne hi wali hai
Sabko pata hai tu jhali hai

Chamest se lele bete neend ki goliya
Kuch hi dino mein meri album ane wali hai
Album ane wali hai meri album ane wali hai
Chamest se lele bete neend ki goliya
Kuch hi dino mein meri album ane wali hai
E syu boy no rizof
Original never ends
Original never deais

Teri fatne hi wali hai
E self
