

Raah ke taalib hai par
Beraah padate hai qadam
Dekhie kya dhundhate hai
Aur kya paate hai ham

Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali
Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali
Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali

Ragin wo zamana thaa
Sapna wo kya suhana thaa
Tab subah o shaam khushiyo ke
Jaam har saans ek tarana thaa
Ragin wo zamana thaa sapna
Wo kya suhana thaa
Tab subah o shaam
Khushiyo ke jaam har
Saans ek tarana thaa

Ab to bas har ghadi
Dukh bhari bebasi
Aas ki har kiran
Ashq ban bah gai
Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali
Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali

Kya nid kisako sonaa hai
Ab saari raat rona hai
Dukhade bichhaa ke sab
Kuchh bhul ke bas

Ek baar sonaa hai
Kya nid kisako sonaa hai
Ab saari raat rona hai
Dukhade bichhaa ke
Sab kuchh bhul ke bas
Ek baar sonaa hai
Zindagi zindagi o meri laadali
Aa gale mil hai shaayad
Ye raat aakhari
Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali
Apani bhi kya zindagi hai niraali
Jahaan gaye thukaraae
Gaye jaise botal khaali.
