

Tham gayi ye hawa, chand bhi chuup gaya
Raat ki dehashat ka hai nahi khaatma
Dil me jo hai khumaar, dil ka hai intjaar
Khoj hai manjil kaha, rehgujar do bataa

Lakho milenge sapane, bhule paraye apane
Dekho hum chal diye kahaa
Karane duniya ko hasil, dene kwaboko manzil
Aakhir aa gaye hum yahaa
Samane hai manjar, aasama ke upar
Niche hai saara jahaa
Haar ke jitenge, marakebhi jiyenge
Yaad aayenge sadaa
Hey ye ye

Raho ke saare patthar raho se hat gaye haskar
Woh bhi ga rahein wahi jubaan
Karane duniya ko haasil dene khaabon ko manzil
Aakhir aa gaye hum yahaan
Kehati hai jo dhadkan sun le ai hamkadam
Phir badlega yeh jahaan
Gujengi aawaajein jannaton se upar
Usase se bhi aage hai jaana
Hey ye ye

Ulajhe raaste honge apane raahon mein
Hosh hai hamein hai karana jo bhi kar sake
Ulajhe raaste honge apane raahon mein
Hosh hai hamein hai karana jo bhi kar sake

Samane hai manjar, aasama ke upar
Niche hai saara jahaan
