

Mano na mano  
Hone ko sab ho jaata hai  
Socha na aisa  
Aur kya se kya ho jata hai  
Koi na yeh jaane  
Hai saare anjaane  
Kisi ko na pata  
Kal kahan thikana  
Humko bhi batana, batana

Kab kahan mudhe raastey  
Kab kahan chale raastey  
Kab kahan thame raastey  
Kab kahan udhi yeh raastey

Ek pal sab yahin hai  
Duje ko sab kho jaata hai  
Kehte..sabhi hain  
Dhoondho toh khuda mil jaata hai
