

Shuru huye silsile jo mile tum humein,
Chha gayi jaane kyun bekaraari,
Chhu gaye dil mera door tum thhe khade,
Jaane kaisi ada thi tumhari,

Sun zara muskurake kareeb yun aa ke,
Ab nazrein churake ja rahe ho kahan..,

Suno na mere yaar baki hai raat,
Teri meri baat baki hai,
Suno na mere yaar baki hai raat,
Teri meri baat baki hai,

Sambhalo ab mujhe lo hathon mein hath,
Teri meri baat baki hai,
Suno na mere yaar baki hai raat,
Teri meri baat baki hai,
Abhi toh sari raat baki hai,

Gustakhiyan hain karne ko dil keh raha,
Aaj hota jo hone do,
Jo hai yahan iss pal mein hai,
Khulke zara aaj lamhe yeh jeene do,

Armaan baki reh jaye na koi,
Yeh roz hoga nahi,
Tu hai yahan aur main bhi yahin phir,
Mauka milega nahi,

Suno na mere yaar baki hai raat,
Teri meri baat baki hai,
Suno na mere yaar baki hai raat,
Teri meri baat baki hai,

Sambhalo ab mujhe lo hathon mein hath,
Teri meri baat baki hai,
Suno na mere yaar baki hai raat,
Teri meri baat baki hai,
Abhi toh sari raat baki hai,

Come closer baby we'll take it really slow,

I'll be forever i'll never let you go,
I know you want me but i really need to know,
That tonight is the night girl we were waiting for,

Haan bol do ab khol do jo raaz hai,
Iss dil mein chupao na,
Kaisi hayaa kiski sharam hum tum hain bas,
Baki sab bhool jao na,

Armaan baki reh jaye na koi,
Yeh roz hoga nahi,
Tu hai yahan aur main bhi yahin phir,
Mauka milega nahi,

Suno na mere yaar baki hai raat,
Teri meri baat baki hai,
Suno na mere yaar baki hai raat,
Teri meri baat baki hai,

Sambhalo ab mujhe lo hathon mein hath,
