

Raat hai chandni hai khushboo hai
Raat hai chandni hai khushboo hai
Kya kahoon inse main kahan tu hai
Raat hai chandni hai khushboo hai

Tu nahin hai magar yahin hai tu
Tu nahin hai magar yahin hai tu

Tu nahin hai magar yahin hai tu
Is mohabbat mein ye bhi jaado hai
Is mohabbat mein ye bhi jaado hai
Kya kahoon inse main kahan tu hai
Raat hai chandni hai khushboo hai

Khamshi ka naqab odhe huye
Khamshi ka naqab odhe huye
Teri aawaz jaise harsu hai
Teri aawaz jaise harsu hai
Kya kahoon inse main kahan tu hai
Raat hai chandni hai khushboo hai

Aa ke palkon se chun le ye moti
Aa ke palkon se chun le ye moti
Aa ke palkon se chun le ye moti
Sab ki nazron mein to ye aansoo hai
Sab ki nazron mein to ye aansoo hai
Kya kahoon inse main kahan tu hai
Raat hai chandni hai khushboo hai.
